

ISO 26000 Compliance Activity Report

[Self-evaluation code] ○: Achieved or improved △: Unachieved or unchanged ×: Deteriorated

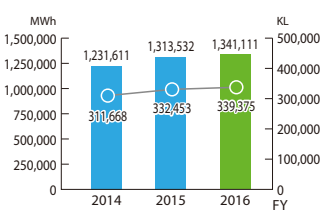

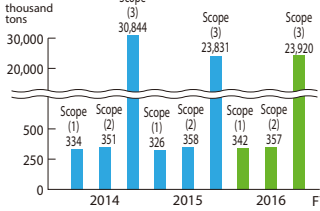

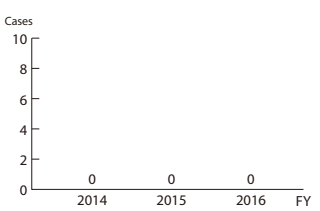

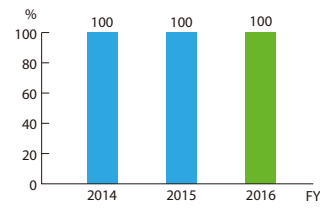

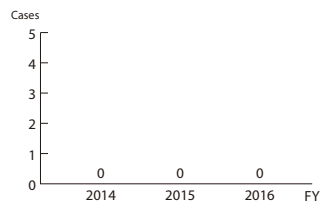

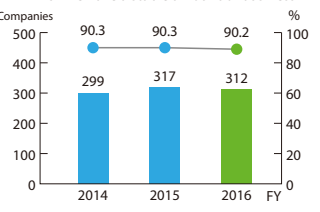

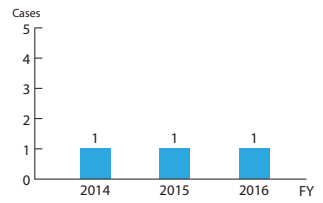

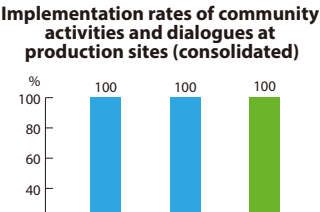

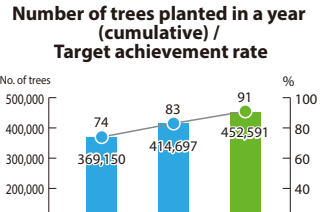

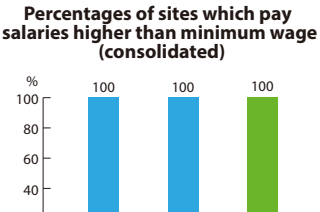

The Yokohama Rubber Group selected priority issues for each group of stakeholders.

In this section, we report on the priority items identified according to ISO 26000 and our progress toward achieving them, as well as the data requested for disclosure.

On our CSR Website, we describe backgrounds regarding the importance of each priority, our goals, our aspirations, the FY 2016 activity report, the challenges we faced, and future measures.

Please refer to our CSR Website for detailed reports of each achievement.
