CSR (Environmental/Social) Activity pages

How to view the Fiscal Year 2016 Activity Report

These web pages introduce the details on matters we prioritize as a company in accordance with the framework of ISO 26000. This describes the page layout using the human rights page as an example.

• Indicates our stance and policies towards the respective CSR activities.

• A responsible personnel describes their stance towards CSR activities and the status of efforts.

• Indicates our vision toward activities.

• Shows our priority issues. Click here to see the progress status and KPIs.

• You can view the progress status of general CSR activities we are involved with.
