Ranked among top A List companies in the CDP Climate Change Report for the fourth time in 2022.

CDP is a global non-profit organization that aims to realize a sustainable economy by encouraging companies and governments to reduce their greenhouse gas emissions, safeguard water resources and protect forests. It leverages investor and buyer power to motivate companies to disclose and manage their environmental impacts. CDP's annual environmental disclosure and scoring process is widely recognized as the gold standard of corporate environmental transparency.

Continued to be rated Silver in the EcoVadis Autoparts from 2020.

EcoVadis (headquartered in France) is an organization that provides buyers with sustainability ratings of suppliers through an information sharing platform where buyers and suppliers from 200 industries in approximately 160 countries register. EcoVadis evaluates the sustainability of companies based on four survey items: environment, labor and human rights, ethics, and sustainable procurement.
