The Fastest Four Seater Coupe Bentley Continental GT to Adopt Yokohama Rubber's Brand New Global Flagship Sport Tyre ADVAN SPORT

Tokyo—The Yokohama Rubber Co., Ltd. today announced that its flagship sport tyre ADVAN SPORT was selected as the 20" option tyre for British automaker Bentley Motors Continental GT. This is the first Bentley model to have Yokohama tyres fitted at the factory as part of the new Bentley Mulliner Driving Specification package. The tyre size adopted for the Mulliner Driving Specification Continental GT is 275/35ZR20 for both front and rear.

The Continental GT, launched in 2003, is the fastest 4-seater coupe in the world. The Continental GT has a maximum speed of 198mph (318km/h) and 4.7 second acceleration for 0 – 60mph. It is recognized as the ultimate British Grand Tourer with its high level of craftsmanship and impressive dynamics.

The ADVAN SPORT has been developed as the top series in Yokohama's car tyre family, with the main goal of achieving superb performance on dry and wet surfaces, comfort and safety at high speeds. Yokohama Rubber and Bentley Motors jointly developed the 20" tyre specification to optimize the driving performance of the Continental GT. A "B" logo is marked on the side of the tyre to show that it is exclusive to Bentley.

The ADVAN is Yokohama's global conceptual brand for its flagship tyre products and activities, such as motorsports or developments with prestige car makers and tuners, in order to pursue ultimate performance and quality. ADVAN name will appear on the highest performance tyres. ADVAN will be introduced as Yokohama's new symbolic brand worldwide.
