## Ranked among top A List companies in the CDP Climate Change Report for the fifth time in 2023.

CDP is a global non-profit organization that aims to realize a sustainable economy by encouraging companies and governments to reduce their greenhouse gas emissions, safeguard water resources and protect forests. It leverages investor and buyer power to motivate companies to disclose and manage their environmental impacts. CDP's annual environmental disclosure and scoring process is widely recognized as the gold standard of corporate environmental transparency.

## Continued to be rated Silver in the EcoVadis Autoparts from 2020.

EcoVadis (headquartered in France) is an organization that provides buyers with sustainability ratings of suppliers through an information sharing platform where buyers and suppliers from 200 industries in approximately 160 countries register. EcoVadis evaluates the sustainability of companies based on four survey items: environment, labor and human rights, ethics, and sustainable procurement.

## First-time recognition as "Prime" in the "ESG Corporate Rating" by ISS ESG

In 2024, Yokohama Rubber received its first "Prime" rating in the "ESG Corporate Rating" by ISS ESG, the responsible investment division of Institutional Shareholder Services (ISS), a leading global provider of corporate governance and ESG research. The "ESG Corporate Rating" evaluates a company's environmental, social, and governance (ESG) practices through a double materiality lens. Companies that receive a comprehensive high rating within their respective industries are awarded a "Prime" rating. Yokohama Rubber was awarded this "Prime" rating within the "Automotive Parts" industry.

## Selected for the SOMPO Sustainability Index for 13 consecutive years.

This index comprises approximately 300 companies that excel in ESG (Environmental, Social, and Governance) criteria and is used in "Sustainable Investment," an investment product adopted by multiple pension funds and institutional investors. The index undergoes an annual review based on ESG evaluation results, and Yokohama Rubber has been selected for inclusion for 13 consecutive years, starting in 2012.
