Yokohama Rubber and YOKOHAMA Magokoro Fund support relief efforts after the Turkey-Syria earthquake

All of us at Yokohama Rubber would like to express our deepest condolences and sympathies to the families who have lost loved ones and to all those who have been affected by the Turkey-Syria earthquake.

The Yokohama Rubber Co., Ltd., and its employee-backed YOKOHAMA Magokoro Fund will donate a combined ¥1 million (¥500,000 each from the company and the Fund) through the Japanese Red Cross Society to support relief efforts in the quake-stricken region.

All of us at here at Yokohama Rubber pray that the people in the affected areas will be able to return to their normal lives as soon as possible.
